Many people get cats as pets. If you want to get a pet cat, you must make your home safe and comfortable for it. You need to make a plush bed for your future pet. This is because cats need a soft place to sleep. Make sure you have bought good food in a pet shop. You must also buy some toys for your cat. Cats like to play and are very active at any age. Your playful kitten will certainly enjoy a toy mouse. Finally, check if your indoor plants are safe enough. If a cat eats the wrong plant, it can become seriously ill or even die.
